

Delivering Service Globally

Latin America

Hemisphere
Freight Services Limited

Connecting the UK to Latin America

Hemisphere
Freight Services Limited
Six locations across the
UK and Northern Ireland

Working in conjunction with our own group offices, our extensive global partner network, equipment specialists and major international carriers, we pride ourselves in delivering professional value-added Logistics services:

- **Logistics Consultancy and Management**
- **Ocean Services**
- **Air Services**
- **Chartering and Projects**
- **General and Specialist Road Transportation**
- **Warehousing and Fulfilment Services**

While **General Cargo** is our mainstay, we are also specialists in the handling, transportation and management of **Project, Over-Size, Refrigerated, Restrictive, Sensitive** and **Hazardous Cargo**.

Knowledge based upon real experience!

“With twelve years of experience at one of the world’s largest container shipping lines, with the latter four working exclusively within the Latin American sector, I have developed a passion for this exciting marketplace. I look forward to working in partnership with you on your enquiries to and from Latin America.”
